Subject: FW: INTERNET MESSAGE

Per Rick's message below, could anyone who is planning on making a presentation at the SOT meeting next year, please provide me with title/authors by Sept. 1?

Please note in order to make the Oct. 1 electronic deadline, all presentations are required to have MRB approval prior to that date.

Thank you,
-L

Loreen,

I had sent this message out to get ideas of what would be presented at SOT next year. Could you please follow up and generate a list of possible presentations from everyone's input. Time is running short.

thanks

Dear SOT Member:

It is time for you to begin planning for the 40th SOT Annual Meeting in San Francisco, California, March 25-29, 2001! In addition to the outstanding scientific program, the 40th Annual Meeting will be filled with celebration of accomplishments made since the first SOT Annual Meeting in 1961.

SOT is pleased to continue to offer the opportunity for abstracts for the Annual Meeting to be submitted on-line. The deadline for electronic submission is October 1, 2000, the fee is still $30. Electronic submission is easy and convenient, as you may submit an abstract any time of day. To access the on-line abstract submission site, simply visit the SOT Web site (www.toxicology.org) or click on the following link http://sot.abstractcentral.com.

You may also submit your abstract in a hard copy format, the deadline is September 15, 2000, the fee is $50. Forms will be in the Preliminary Information Packet that will be mailed to you in August.

No matter how you plan to be involved, SOT looks forward to seeing you in San Francisco. Be sure to check the SOT Web site frequently to learn more about the Annual Meeting.
